The following table shows incidents that occurred and were reported to the University of Georgia Police Department under circumstances where the exact geographical location could not be determined. The University of Georgia Police Department feels that providing data related to these incidents is very important, as they impact the communities and lives of students, faculty and staff of the University of Georgia. These incidents are not counted in the Main Campus statistic table

Incident Type	Unknown Location	Unknown Off- Campus Location				
Rape	49	12				
Sexual Battery	3	1				

"Unknown Location" refers to incidents reported where no location information was provided by the reporting party.

"Unknown Off-Campus Location" refers to reports where enough information was provided to determine that the incident did not occur on the UGA main campus, but not enough to further determine the location.
